FOR SOCIAL RESPONSIBILITY

# RANDOLPH-ASHEBORO YMCA

Announcement (3/13/2020)

As we continue to monitor the situation surrounding COVID-19 (coronavirus) we are constantly consulting with local and state health officials to ensure that we are making the best decisions for our staff and members. Every hour new information continues to emerge and we will do our best to keep everyone up to date with the impact that it will have on YMCA activities and programs. ®

At this time, our After School program will continue to be made available and operate like normal. This will be closely monitored as City and County Schools continue to make decisions regarding their operations. For our Uwharrie Charter students, we will be providing Camp Chill Out as an option at this time (as long as we have a minimum of 5 students enrolled). If City and County Schools were to make the decision to close we will plan to provide our Camp Chill Out program (minimum of 10 kids) to those students as well as long as it is safe to do so. This will be considered a Camp Chill Out week price at \$95 dollars for members and \$120 for non-members.

We are taking this matter seriously and the safety of our staff, members and children are of utmost importance. Simple things that we can all do to help during this time include washing your hands frequently, avoiding unnecessary touching of one another, staying home if you are feeling sick, and covering your mouth if you sneeze or cough.

Thank you,

Branson O'Hara  
Youth & Family Director
