RANDOLPH-ASHEBORO YMCA

September 2, 2020

It's time to get excited! Governor Cooper announced yesterday that our indoor fitness center and gymnasium can soon reopen. We can't wait to welcome you back inside, and we're working hard to prepare our facilities while putting your safety first.

On Monday, September 7th, the Randolph-Asheboro YMCA will reopen our indoor fitness centers with limited capacity and following all local, state and national guidelines according to Executive Order 163. This means no more medical notes or reservations needed!

While we are excited to welcome members back inside, we recognize that the fight to stop the spread of COVID-19 isn't over. Your Randolph-Asheboro YMCAs has spent 24 weeks preparing to reopen our facility responsibly to ensure the safety of our employees and participants. In an effort to keep our indoor numbers small, we're continuing our exciting virtual and outdoor fitness opportunities, keeping our pools open for as long as possible and delivering programs that improve spirit, mind and body.

The pandemic has hurt many, including our Y. Because of our donors and members who stayed with us, our Y has remained on the front lines, serving the most vulnerable members of our communities.

Stay tuned for more details in the coming days as they will be posted on our website and social media accounts.

Thank you,

Nick McNeill
Marketing & Membership Director
