Dear Parents,

I have recently made the most difficult decision of my entire life and tendered my resignation to the Y. The last 15 years have been incredibly rewarding! This is mainly due to your children (and the tens of thousands in my career), who I love and care for almost as much as my own. However; this job requires a lot of hours including nights and weekends, so most days, I spend more time with your babies than I do my own. In hopes of giving my family more structure and time, I have accepted a position at Randolph County DSS. My last day will be Friday, June 15th. I will miss you and your children terribly, but I will definitely be by to visit and will keep in touch through good `ol Facebook! ☺ Your kiddos will be in good hands with Mr. Felix and I take comfort in knowing that someone so devoted to children is stepping up in my absence. I will cherish these next few weeks before I leave and wish you all a happy & safe summer!

Love,

Ms. Celena
