YMCA Mission...

“To put Christian principles into practice through programs that build a healthy mind, body, and spirit for all.”

General Information

Staff

Our counselors will carefully supervise your child with child to adult ratios at or below the state requirement of 20:1. All staff has passed a criminal background check before they are hired. The YMCA staff is CPR & First Aid certified and renew yearly. Van drivers have a safe driving history. All bus drivers are CDL certified.

Safety

The YMCA believes that the safety and good health of your child is our first priority. All activities are flexible in order to accommodate the needs of each individual child. However, YMCA Policy states, if your child is mentally or physically handicapped, a CAP worker must be assigned to supervise & care for your child at all times.

Goals

Through a Christian perspective we want to provide your child with an experience that they will remember for years. We want to provide service that is convenient and affordable. We have scholarships available to families who may need assistance in providing a quality after school program for their child. Our programming will offer safe, fun, structured programs with games, devotions, homework assistance and other enjoyable activities.

Pick-up Procedures

Playground Pick-up:

When picking-up at the YMCA playground, a Y counselor will walk the child to the parent and the parent must initial the child out or the parent must walk down to the playground and to the counselor responsible for sign-out that day and sign the child out. The counselors will do a head count and ratify their number with the sign-out sheet before leaving the playground to return inside the facility.

Gym/Teen Center/Classroom Pick-up:

The parent must enter the facility and initial the child out. If the child is in a separate location from the sign-out sheet, i.e. the child is in the Teen Center with their group/counselors, while another group is in the Classroom, a counselor will walk to get the child and the parent will initial him/her out. If a counselor is not able to leave the room, he or she will walkie-talkie to the Teen Center for the child and the child will be monitored as he/she walks to the Classroom. The parent must initial the child out.

Pool Pick-up:

If a parent is picking-up their child during a swim time, the parent must initial the child out and retrieve him/her from the pool. The parent will take him/her to the locker room or into the Special Needs restrooms to change. Parents may retrieve the rest of their child's belongings from the cubbies in the Classroom.

Inclement Weather Policy

If schools are on a delay, we operate the After School program as normal. However; if schools are closed for the day, please refer to Fox 8 WGHP (www.myfox8.com) or WFMY News 2 (www.wfmynews2.com) for the YMCA's schedule. You can also view YMCA delay or closing information on their Facebook page. If schools have an early dismissal due to inclement weather, we will contact you and let you know if it is safe for us to operate or not. If we do **NOT** operate, *it is your responsibility to arrange pick-up for your child*. If the YMCA dismisses early, we will post the information via the above portals and you will be contacted by phone and a similar email message to come pick your child up ASAP. Please make sure we have all the correct contact information for your child in case of such emergencies.

Call-In Policy

- **You must call the YMCA before 1:45pm (some drivers leave at 1:50pm for pick-up) to let the Directors/Counselors know that your child will NOT need to be picked-up for the After School Program.** If you miss this cut-off time, but it is before school is released, you may call the front desk of the YMCA and ask them to call our cell phones to let us know.
- If you do not call-in more than 3 times, your child's participation in the After School Fun Club Program will be in jeopardy.
- We do understand that there are *true* emergencies (i.e. kids get sick suddenly, family crises, etc.) and exceptions will be made for these situations ONLY.
- **This policy is primarily for the safety of your child to insure that he or she is where they are supposed to be.** It is also to assure that the After School Program runs smoothly. The bus and most of the vans pick-up at more than one school and we must be there in a timely manner and adhere to everyone's schedule.

BEHAVIOR STATION

RED	YELLOW	GREEN	BLUE	PURPLE
IF MY CLIP IS ON RED, I HAVE RECEIVED MORE THAN 2 WARNINGS TODAY. PLEASE SEE A COUNSELOR TO DISCUSS MY BEHAVIOR.	IF MY CLIP IS ON YELLOW, I HAVE RECEIVED AT LEAST 2 WARNINGS TODAY. PLEASE SEE A COUNSELOR TO DISCUSS MY BEHAVIOR.	IF MY CLIP IS ON GREEN, I HAVE HAD A GREAT DAY AT THE Y! I HAVE NOT HAD TO BE CALLED DOWN OR REPRIMANDED! I HAVE GONE ABOVE & BEYOND TO HELP OTHERS AND HAVE SUPERB BEHAVIOR!

In the After School Fun Club, we use a color & clip system, similar to those that have been used in the school systems, to help manage behavior. Our intent is to motivate those who need to improve their behavior to do so and reward those whose behavior is on par. The "Behavior Station" is located next to the cubbies and we ask that you check your child's status, daily. Those that have stayed on Green or better all week will receive rewards on Fridays. Please let me know us you have any questions.
