**CHALLENGE:** Spring means new life and a fresh start. Kick your health in gear and explore more outdoors. Do you normally use the treadmill or elliptical for cardio? Make a change and use the 1/2 mile walking/running path here at the Y. You can also recharge outdoors. Try starting a garden, enjoy a leisurely walk with family, or relax and watch the sunset. Whatever you do, take time for yourself and bloom into wellness this spring.

### **CLOSINGS: \*See website facility page for any updates\***
