RANDOLPH-ASHEBORO YMCA

Closing Announcement

FOR THE SAFETY OF OUR MEMBERS, STAFF & COMMUNITY AT-LARGE

The Randolph-Asheboro YMCA will close effective at 10:00 PM Tuesday, March 17th.

In an effort to prevent continued spread of COVID-19, our Y has made the difficult decision to close buildings effective March 18 until April 5, 2020. The board of directors will reevaluate opportunities to reopen. We will reopen as soon as possible.

We are taking direction and adopting practices from the CDC, local Boards of Health, State Agencies, and local and state governments as well as the North Carolina Alliance of YMCA's and the National YMCA.

Throughout the Y's history, we have been called upon to provide critical services during challenging or uncertain times. During our temporary closure, we are working closely with local officials, emergency agencies, school systems and health care organizations to support our community and will share those details and how you can help neighbors in need as soon as possible.

We will provide frequent communications to our members and program participants to outline the services of the YMCA and encourage our community to maintain healthy habits. Our staff will be working to provide in home workouts as well as virtual classes. You will be able to find these on our website, www.randolphasheboroymca.com and our Facebook page. Please contact the YMCA (336) 625-1976 with any questions you may have.

Sincerely yours,

Patrick O'Hara
