FOR SOCIAL RESPONSIBILITY

RANDOLPH-ASHEBORO YMCA

Announcement

As YMCA staff, we are continuing to monitor the situation surrounding COVID-19 (coronavirus). This is a very fluid situation, and we want to continue to be proactive as we make decisions to best protect our Members and Staff. ®

Based on the recommendations that came out of the Governor's press conference today, starting tomorrow (3/13/2020) we will be suspending all Youth and Adult Sports activities for the remainder of March. This will include practices and games for Youth and Adult Volleyball and Soccer. We will continue to monitor the situation and if any adjustments need to be made to this time frame we will announce that towards the end of March.

At this time the YMCA will continue to remain open for our normal operating hours. As always, please remember to do the simple things to help prevent the spread of sickness. If you feel sick, stay home. Cover your mouth when you cough and/or sneeze. Wash your hands frequently. Refrain from unnecessary touching, but feel free to smile at each other!

This is uncharted territories for all of us, and a very fluid situation. We continue to stay in contact with medical professionals, the Health Department, the YMCA State Alliance and others for best practices and recommendations as we continue to move forward. We encourage you to stay tuned to our Website, Facebook and Instagram pages to stay up to date for any announcements.

Thank you,

Nick McNeill
Marketing & Membership Director
