RANDOLPH-ASHEBORO YMCA

June 25, 2020

To Our Valued Members,

As you may have heard, Governor Cooper announced yesterday that phase 2 of North Carolina's reopening plan will be extended another three weeks. While we are eager to open our fitness centers for indoor exercise, we remain grateful for the opportunity to continue engaging our members in outdoor exercise, summer day camp and aquatic activities. We love seeing our members again and appreciate your understanding as we follow all federal, state and local guidelines. We'll take every opportunity we get to welcome our members back to the Y, even when socially distant and wearing face masks as required in NC.

We continue working hard indoors and out to ensure an environment that is clean and safe for everyone. We'll keep you updated on our plans to reopen our fitness center and hope you'll take advantage of the many activities and classes available outside and online.

Thank you again for your support and flexibility.

#StayWithUs

Stay Well, Stay Healthy,

Patrick O'Hara
Executive Director
Randolph-Asheboro YMCA
