RANDOLPH-ASHEBORO YMCA

Randolph-Asheboro YMCA Members,

We pray that this communication finds you and your families healthy and safe. We have missed seeing our members during the past two months. Over this period of time we all have been forced to navigate an ever-changing world full of so many unknowns. One thing we do know for sure is that it's our members that make this place so special and we view each of you as family. Our Y family is a strong community and together we will get through this.

It was our hope to be sending out different announcement today. One in which we were outlining, based on previous phase 2 guidance, our plan for reopening as of May 26th. Unfortunately gyms and fitness centers were not included in the official phase 2 guidance. Therefore we are forced to take a step back and put together an alternative plan based on the guidance recently issued. As you know the Y is a large facility that houses many different activities and programs. Some qualify for phase 2 and some unfortunately do not. The guidelines are ever changing so we ask that you be patient and flexible as we do our best to implement them so that we not only provide you an opportunity to maximize your membership during this time, but also we do so in a safe way.

Our staff is diligently reviewing the most recent state order and we plan to put out more detailed communication as soon as we have it. This will include, among other things, plans to begin opening our pool and splash pad and outside exercise options in phases hopefully as soon as next week. We are also excited to start our Summer Day Camp program on June 1st!

Thank you again for being our members, our family and our community. Thank you for staying with us. Together we will come back stronger than ever. #raymca #staywithus

Regards,

Patrick O'Hara and the Randolph-Asheboro YMCA Staff
