# RANDOLPH-ASHEBORO YMCA

Over the past couple months our world has changed. We all find ourselves in a very different place, as individuals, as a community and here as a YMCA. It has forced us to all embrace a new normal. Throughout this time, we have asked you to #StayWithUs, and because of your ongoing support, we have been able to continue being a light in our community. ®

We are so thankful for the love and support we have felt from our members, and want to say thank you to those who have stayed with us and allowed us to deliver critical services like childcare for essential workers in our community. Some other examples of serving our community include donations from our community garden to the CUOC, serving at Our Daily Bread Soup Kitchen and hosting a blood drive with The American Red Cross.

Honoring Governor Cooper's latest executive order, our Y continues to be temporarily closed. We as a staff are working to develop plans to allow us to serve our members safely in alignment with state and local health authorities. Please be sure to check out our website and social media for all the latest updates and any important announcements during this time.

We look forward to being able to see you again, but until then we encourage you to continue to stay with us! Also, be on the lookout for a video from your YMCA Staff coming soon!

On behalf of the Y community, thank you for your support. We couldn't do this without you!

Patrick O'Hara  
Executive Director  
Randolph-Asheboro YMCA
