

WELCOME TO Y CAMP

PARENTS TRUST US

The Randolph-Asheboro YMCA summer camp programs provide high quality experiences for your child that help build a healthy spirit, mind and body.

SAFETY

Certified lifeguards watch over our campers while they swim. Bus drivers are trained and certified with their CDL as well as CPR/First Aid/AED. Children are only allowed to leave with those listed on the pick-up list and must be signed-out by those individuals.

PROFESSIONAL ROLE MODELS

Our camp staff is selected based on their experience, attitude, skills and ability to demonstrate the Y core values of caring, honesty, respect and responsibility. Our staff is trained on topics including risk management, diversity, child abuse, games and team building.

SELF-RESPECT

Building self-respect is one of our goals. Camp counselors are trained to highlight teachable moments and emphasize accomplishments and successes in all campers.

GOALS

Through a Christian perspective we want to provide your child with an experience that they will remember for years. We want to provide service that is convenient and affordable. We have scholarships available to families who may need assistance in providing a quality summer camp program for their child.
