MY Y STORY

**Elizabeth
Parry**

I just moved to Asheboro a few weeks ago for a teaching job, and everything was so new and I knew nobody. After living in roughly the same area for the past 23 years I was a bit nervous moving away from home. I cannot thank the Y enough for being such a friendly and kind place. Even in just the few weeks that I have been here I have started to feel at home. I know a part of that is certainly because of how welcoming everyone is at the Y. Thank you for making Asheboro feel like home to me. I am so excited to be here. 😊
