# RANDOLPH-ASHEBORO YMCA

Announcement (3/18/2020)

In an effort to help manage the ongoing needs for childcare to those who are required to continue to work during this time, the Randolph-Asheboro YMCA is committed to serving our community with our Camp Chill Out program. At this time, even though we have closed the facility to members, we will continue to make our Camp Chill Out program available. We have a maximum of 30 children that we are able to accommodate.

As we continue to monitor the situation surrounding COVID-19 (coronavirus) we are constantly consulting with local and state health officials to ensure that we are making the best decisions for our children and staff. Every hour new information continues to emerge and we will do our best to keep everyone up to date with the impact that it will have on this program.

Our YMCA staff are working diligently to clean and sanitize the entire facility. Simple things that you can encourage your children to do to help during this time include washing hands frequently, avoiding unnecessary touching of one another, keeping a child home if they are feeling sick, and teaching them to cover their mouth if they sneeze or cough.

We will get through these times together!

Thank you,

Patrick O'Hara  
Executive Director  
Randolph-Asheboro YMCA
