I just wanted to wish you luck with this year. If it was anything like last year all who attend will have an absolute blast. Our boys still talk about the experience they gained and there are a couple who have made it their dream to return to some type of college to continue to play at a high level.

From the time we walked through the doors, we felt nothing less than welcome. We found your staff to be very professional, cordial, and accommodating to any questions or concerns we addressed. Not to mention the competition level gave us an opportunity to "fine tune" ourselves as we enter another competitive conference year. I sincerely appreciate all you do, year in and year out.

We had a great time at your tournament last year! We finished our season 23-1 and tied for the conference championship! Your tournament helped us gain a lot of confidence for the rest of the season. I can't thank you enough for the hospitality and such a well-run tournament!

All of you coaches that are looking to get a JV program into this tournament...DO IT!

It is very well run, organized, and my girls had a blast last season! It also helped blast us to a Conference Championship at 18-3 (13-1) in Conference!

This tourney is well worth it!
