# RANDOLPH-ASHEBORO YMCA

Dear Valued YMCA Member,

As 2022 draws to a close, we want to thank YOU for being the most important part of the Randolph-Asheboro YMCA. You belong to so much more than just a gym. As a member, you are part of a cause-driven organization with a mission to provide youth development, healthy living, and social responsibility in our community. Together, we can accomplish so much more.

The Randolph-Asheboro YMCA always strives to be a good steward of your resources, and this year is no exception. We are thankful to announce that we will *not* be raising membership rates for 2023. You can continue to expect programs and services that are relevant to your member needs.

We believe families and friends are more successful when they get active together. That's why we are inviting you to refer a friend during this year's Membership Drive. From now until February 14<sup>th</sup>, anyone who joins the YMCA will pay a \$0 join fee and receive a YMCA-branded drawstring bag (one per household, while supplies last).

What makes us different from other organizations is our scholarship program. "Your" YMCA does not turn anyone away due to inability to pay. The Y's scholarship program provides memberships and program participation to seniors, families, youth, non-profit organizations, and single parent families. In 2022, our fundraising events and pledges from the community raised over \$130,000. If you would like to give or volunteer for one of our fundraising events, stop at the front desk for information on these opportunities. We want everyone in our community to be able to participate, no matter their financial means.

If you have any questions or want to learn more about memberships or specific programs, please check us out at [www.randolphasheboroymca.com](http://www.randolphasheboroymca.com) or ask any staff member. We look forward to helping you build a healthier spirit, mind, and body in 2023.

In Health,
