The YMCA offers Fall and Spring Soccer for 3-18 yearolds. Rec soccer offers players of ranging skills to learn and compete together. Players will practice weekly and play 8 games over the course of the season. They will play in their specific age groups and will be divided by boys and girls, with the exception being the U19 age group, which is co-ed.

**Age Groups:** We use your child's age on the date marked (8/1/2023) for determining your child's age for the current season (current seasons start in the fall and go thru the spring season, similar to a school year.) That determines your child's age for fall and spring soccer. All children can request to play up only if they are within a year of the age they wish to play (IE. A 5 year old can request to move up to U8, but a 4 year old could not.) No child will be permitted to play down with a younger group.

- U6: 3-5 year olds**
- U8: 6-7 year olds**
- U10: 8-9 year olds**
- U14: 10-13 year olds**
- U19: 14-18 year olds**

**All games will be played at the Zoo City Sportsplex  
2981 Zoo Parkway, Asheboro, NC 27205  
At the intersection of Zoo Parkway & Old Cox Rd.**
