SCAN ME!

Here at the Randolph-Asheboro YMCA we nurture the potential of every child through our child care program. We help children to learn, grow, and develop social skills so that when children aren't in the care of their parents, they are still with people committed to their development and well-being. Our After School Program is an affordable program for families that includes homework assistance and positive role models that meets the spirit, mind and body needs of all.

Transportation Available at:

- Lindley Park Elementary
- Guy B. Teachey Elementary
