Randolph-Asheboro YMCA

April 2025

MISSION SPOTLIGHT

The Y is in your community to give everyone an opportunity to learn, grow and thrive. When you give to the Y, you make Asheboro and Randolph County stronger. As a leading nonprofit for youth development, healthy living and social responsibility, the Y uses your gift to nurture the potential of children and teens, improve community health and well-being, and support those in need, right in the communities we live and work. With your help, more children and families in our community can grow strong at the Randolph-Asheboro YMCA! And working together, we will build a stronger community for the future.

There are many ways that you can give back to your YMCA. From sponsorships, financial giving and our endowment program.

The impact your donation has on the Y:

- To nurture the potential of youth through building confidence at camp, academic enrichment in safe afterschool programs, or foundational skills and values in our child care programs.
- To improve the community's health and well-being through combating obesity and chronic disease by providing the support and financial resources people need to make positive change.
- To give back and support our neighbors by empowering people with the resources to improve their well-being and connect and contribute to the community, creating opportunities to advocate for social change.

For more information on how to give, go to randolphasheboroymca.com/give

KNOW, SEE, RESPOND

Join Us For A Workshop On Protecting Our Children & Building A Safer Future! Presented by:

In recognition of Child Abuse Prevention Month, Emmy's House CAC is hosting a workshop dedicated to equipping parents and caregivers with the tools to protect children and prevent abuse.

With this workshop, attendees will:

- Learn practical strategies for keeping children safe both at home and in the community.
- Connect with other parents to share experiences, ask questions, and find solutions.
- Gain valuable knowledge on how to recognize, respond to, and prevent child abuse in everyday situations.
