INVESTING IN PEOPLE SCHOLARSHIP PROGRAM

At the Randolph-Asheboro YMCA, we are changing lives one at a time. We believe when we work as one, we build a stronger community. We are a powerful association of men, women, and children joined together by a shared commitment to nurturing the potential of kids, promoting healthy living and fostering a sense of social responsibility. Financial assistance keeps the Y available for kids and families who need it most. Every day, we work to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive. Everyone belongs at the Y!

Each year thousands of children and adults come to the Randolph-Asheboro YMCA for friendship, exercise, fun, education, camp, sports, and parties. Many others will not be able to afford the cost of the programs and services they need. We want to make sure that everyone who needs a YMCA program has the chance to participate. People who qualify are not turned away because of the inability to pay, but these programs do cost money. The funds raised in our annual "Investing in People" Scholarship Giving Program are used to provide scholarships for children, adults, seniors, single parents, and others with special needs who lack financial resources. Campaign funds fill the gap to pay the cost of providing these programs.

The Y is in your community to give everyone an opportunity to learn, grow and thrive.

When you give to the Y, you make Asheboro and Randolph County stronger. As a leading nonprofit for youth development, healthy living and social responsibility, the Y uses your gift to nurture the potential of children and teens, improve community health and well-being, and support those in need, right in the communities we live and work.

With your help, more children and families in our community can grow strong at the Randolph-Asheboro YMCA! And working together, we will build a stronger community for the future.

For more information on how you can be a hero to those less fortunate, or if you are wishing to make a tax-deductible contribution, you can contact the Y at (336) 625-1976, stop by the Front Desk or go to randolphasheboroymca.com/give.

The Corporate Cup is a challenge event for local organizations, businesses, and corporations. The purpose of the YMCA Corporate Cup is to promote community-wide interest and involvement in fitness, health activities, and corporate team building. Teams from participating organizations will compete in several events. To help assure fair and equitable competition for all participants, certain general and event rules have been instituted. General rules are noted below. Some events may have specific event rules and eligibility guidelines. The YMCA Corporate Cup emphasizes participation of all segments of a business or organization - all employees, male and female, young and old, fit and unfit. The goals are fun, fitness, company pride and company spirit.
