September 2025

MISSION SPOTLIGHT

The Randolph Asheboro YMCA is introducing an exciting new initiative this school year!

In partnership with Asheboro City Schools, we are providing a comprehensive pool safety program for all Second grade students in Asheboro City.

Drowning is a serious concern and early education can make a significant difference in preventing tragic accidents. Equipping young students with essential water safety knowledge and skills can create a safer community.

The purpose of this program is to focus on drowning prevention and the positive impact swimming has on our youth.

Second Graders will be introduced to basic swimming and water safety skills such as floating, treading water, and being comfortable in the water. Each of the five elementary school's within the Asheboro City School's district will have their second grade classes visit the Randolph-Asheboro YMCA four times for safety, survival and swim instruction.

This swim safety and instruction will be provided by Randolph-Asheboro YMCA staff, Asheboro City School teachers and community volunteers.

Approximately 350+ Second Graders will be positively impacted as a result of this program.

"Stay afloat, stay alive"

RANDOLPH-ASHEBORO YMCA

FRIDAY, OCT 24, 2025

5:30 PM - 8:00 PM

JOIN US FOR THIS FREE COMMUNITY EVENT!

- HAUNTED TRAIL
